ARGUMENT AGAINST MEASURE

Who do we blame for today's fiscal disaster in Fremont? ~~And~~ should we be the ones to have to pay for this? We citizens have simply been robbed by State politicians for many years now. Of every tax dollar ~~Fremont~~ taxpayers pay in local taxes, the State "Tax and Spenders" return only 15 cents. The city comes to us for more money because, ~~among other things,~~ the State steals more and more. Does a bank expect its depositors to replenish the bank's funds that were stolen by bank robbers? Yet that is exactly what our State Legislature is doing to us all across California. When is enough, enough?

The State Legislature, ~~and now Fremont~~, could be summed up in a few short phrases: "If it moves, Tax it." "If it keeps Moving, Regulate it." ~~And~~, "if it stops Moving, Subsidize it!" Our State Legislature "steals" our Tax Money, and the cities are forced

to ask for more local money in the form of ~~retiree~~ "Utility Taxes"! ~~This is the law short phrases in the previous paragraph are a classic definition of Socialism, and we all know that Socialism has failed miserably, in every situation.~~ "Those who feed out of the public trough are rapidly consuming those who fill the trough!"

This is something that Fremont city officials and ~~all city officials across the state~~ knew was coming. Yet Fremont continued to negotiate labor contracts with benefits richer than surrounding cities, ~~such as Newark.~~ These richer retirement benefits and pay packages mean higher escalating expenses to the taxpayers of Fremont. Since Proposition 13 passed in 1978, the "Tax and Spenders" have tried everything in the book to get around it. A "Utility Tax" is just another "Scam"!

WOULD YOU DO BUSINESS WITH A LOAN SHARK? THAT IS EXACTLY WHAT WE WILL BE DOING IN FREMONT IF WE PASS THE PROPOSED "UTILITY TAX" THIS NOVEMBER! VOTE "NO" ON MEASURE V, and tell the bank robbers in the Capitol dome we will no longer ~~accept~~ their failures!

A CEARX.
